

# Introduction of “JCM Global Match”

---

Global Environment Centre Foundation (GEC)

Tokyo Office

Nanako Aoyama

JCM Global Match enhances the efficiency for your project development specializing in the JCM financing programme.

## What can you do on this platform?

### 1. Find your partner

### 2. Deepen your projects with potential partners

### 3. Promote yourself

### 4. Have Individual Communications

<i>Names</i>	<b>Details of the Functions</b>
<i>Search Engine</i>	A function on top of website to search for your possible business partners by any keywords such as countries' name or the name of a certain technology to be introduced.
<i>Open Discussion</i>	An open chat room to communicate with other users to find your partners who are interested in your project.
<i>Invitation Salon</i>	A private chat room to have a discussion to develop your project in practice only among selected people.
<i>My Company's Specialties</i>	A function to describe and publicize facilities/services you provide or would like to purchase
<i>Profile Page</i>	Via Open Discussion or My Company's Specialties, other users will visit this page to get more information about you.
<i>Matching</i>	If your matching request is accepted, email addresses will be exchanged, and one to one chat room will be available.
<i>Scheduled Meeting</i>	After matching request is accepted, you can set a meeting with them when a JCM event is held.

**Many companies are making a match (=exchanging their contacts online) and some have already been selected for the JCM Model Projects.**

## 4. Have Individual Communications (1) – Matching

The screenshot displays the JCM Global Match interface. On the left is a user profile with a placeholder image and a '+ Follow' button. A yellow box highlights the profile area with the text: 'Send a **Matching Request** from a profile page.' To the right, a red box highlights a blue button labeled 'Matching Request'. Below this, a table titled 'MY MATCHING (PROGRESS)' shows two entries:

Matching Name	Status	Name	Own
20201202-20	Matching	Nanako Aoyama	Aoya
20201203-21	Matching	Nanako Aoyama	Aoya

At the bottom, a message form is shown with a 'Name' field containing 'User's Name' and a 'Message' field containing 'Hi, I'd like to know about your business. Please accept my request.' A blue 'Confirm' button is at the bottom right. A yellow box highlights the message form area with the text: 'After a request accepted, followings are available;'

- **Email addresses Exchanges**
- **Chat** on the JCM Global Match
- **Application for meeting** after the JCM webinars

## 4. Have Individual Communications (2) – Scheduled Meeting (1)

JCM webinars will be shown on the “Upcoming Events

You can apply for a meeting through “Scheduled meeting”.

## How to use Open Discussion

## How to use JCM Global Match?

Other functions are available on the **How to Use** pages.

### Feature Summary

This is a chat room where you can communicate with any other users.

You are free to promote your ideas or services your company provides in any chat room, which are designated under certain technology or country, of your interest. We look forward to your active participation by your starting a new conversation, or joining existing conversations.

Open Discussion is divided into two categories: Technologies and Countries, which have 10 and 17 rooms respectively as below;

### Chatting rooms for Technology

- Solar Power Plant (PV: Photovoltaics)
- Small Hydropower Plant
- Biomass
