Introduction of "JCM Global Match"

Akiko Doi
Global Environment Centre Foundation (GEC)

Basic concept of the JCM and contribution to carbon neutrality

Cooperation towards achieving carbon neutrality

With the successful conclusion of the Rulebook for Article 6 of the Paris Agreement at COP26, carbon markets will further expand. The JCM, as a pioneering mechanism under the Article 6, will benefit not only for GHG emission reductions, but also for the sustainable development of the partner countries.
